Seven-day TV and radio guide starts on page 34

A woman with short dark hair, wearing a black long-sleeved top with a decorative collar and a light-colored skirt, is shown in profile. She is holding a large, ornate, gold-colored framed painting. The painting depicts a landscape with figures. The setting is an interior room with wooden furniture, including a table and chairs, and a doorway in the background.

Easter view

A new artistic era for Staithes
